Please enter your details on this form and return it, along with your subscription. If you are applying for multiple membership, please enter the names and addresses of all other members.

We run a voucher scheme and this means that your subscription entitles you to one voucher per play. The vouchers may be redeemed for a ticket for a play and the information about each play and the bookings will be in each of five Booking Letters. The Booking Letters also contain information about the Theatre and other events that are held here. The Booking Letters will be sent to you approximately 3 weeks prior to each play and this will have the booking form for the plays and other events. Please follow the instructions and all will be OK. Please remember that the vouchers are only valid for the five Club Theatre plays.
